

ROUNDAABOUT

Bell Road at Boles Road

PROJECT OVERVIEW

The project is a roundabout at Bell and Boles roads.

PROJECT TIMELINE

Johns Creek City Council approved the project in 2014.

Construction started in February 2015 and is scheduled to be completed in March 2016.

KEY POINTS

- Reduces the number and severity of accidents
- Allows for greater traffic flow than current configuration at intersection
- Provides sidewalks
- Reduces the number and severity of accidents
- A 2.5-acre pocket park is planned adjacent to the intersection possibly in late 2016.

PROJECT LOCATION
